The Spring Smile Reset

CONFIDENCE, REIMAGINED

Every smile makeover in our office is **systematically planned** and **carefully perfected** - but at its core, it's about *confidence*. Cosmetic dentistry isn't just about whiter or straighter teeth; it's about helping you feel comfortable, empowered, and proud of your smile. We thoughtfully evaluate function, facial balance, and your personal goals to create results that look beautiful and feel natural. And if you've been dreaming about enhancing your smile but aren't sure where to start, know that we're here to guide you. We offer customized treatment plans and flexible options because everyone deserves to love their smile - and we're committed to making that dream possible!

Whether you have an upcoming wedding/event, or are just ready to stop hiding your teeth when you smile, we are here to make your dream smile a reality!!!

New Service Alert!!!

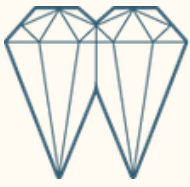

ORAL SURGERY- NOW IN HOUSE!

We're excited to share that beginning in April, **Dr. Brendan Gallagher** will be joining our office to provide Oral Surgery services right here in the comfort of our office!

Dr Gallagher completed his residency at NYU, where he trained extensively across the full scope of oral surgery. His expertise includes wisdom teeth removal, dental implant placements, extractions, trauma management, and corrective jaw procedures. Most importantly, he is committed to providing safe, compassionate collaborative care - ensuring every patient feels informed, comfortable and supported throughout their treatment.

By bringing more surgical services in-house, we are able to streamline your care, improve coordination and make your experience more convenient and seamless. We are thrilled to expand what we can offer patients and welcome Dr Gallagher to our team!
